April 2017

Dear Parent/Carer,

We are now in our final term of Primary 2.

This term the school IDL topic is a 'Tour De France'. We will be exploring France through various curricular areas. Parents/carers will be invited to experience what we have been learning later on in the term.

In Numeracy, we will continue to focus on improving our mental maths using Big Maths materials. We will be exploring 3D objects and 2D shapes and learning the vocabulary to describe their features. We will also be exploring how groups of items can be shared equally.

In Literacy, we will be exploring non-fiction and information books about France, learning how to find information to create our own factual documents.

Now we are into the summer term, please ensure your child has their gym kit in their Cornhill gym bag in school on Monday which will be sent home on Friday, as there is more chance of impromptu outdoor gym sessions when the weather is good.

This term the homework will continue to be issued on a Friday and must be returned on or before the following Wednesday. As per the school policy, if your child does not have their homework completed and returned by Wednesday, they will be sent to detention at playtime. It is important that your child is encouraged to complete their homework to the high standard that is expected of them in school. Please ensure that your child completes all homework tasks in bold and they must pick one of the two choices. These are compulsory tasks.

As always, if you need to discuss anything please do not hesitate to catch us at the end of the day, as first thing in the morning is always a busy time for taking children into class.

Once again thank you for your support.

Kind regards,

Miss Farquharson and Mrs Carrington
