

# Term 4 Newsletter – P3

<p><b><u>The last term of P3!</u></b>          Wow! What a quick year! Here are some of the things we will be learning about in our last term of P3 ...</p>	<p><b><u>Topic</u></b>          We have joined with P3-P7 and have been learning about various inspirational women. Each year group has studied different women. P3 have looked at the life of Julia Donaldson (children's author), Ellie Simmonds (Paralympic swimmer) and Valentina Tereshkova (first women in space). We have also looked at other inspirational women in our everyday lives. We are holding an open day for you to come and see what we have been doing in class on Thursday 23<sup>rd</sup> May.</p>	<p><b><u>Literacy</u></b>           We will carry on learning lots of new phoneme sounds this term and revise the ones we have learned throughout the year. In writing, we have been writing letters to our inspirational women and creating our own poems. We would like to take this opportunity to reiterate that it is really important for your child's reading development that the books they bring home are read and discussed daily/weekly.</p>
<p><b><u>Numeracy</u></b>          In maths this term, we will be learning about angles, grid references, fractions and continuing with multiplication and division. Please continue to practise mental addition, subtraction, multiplication and division at home.</p> 	<p><b><u>Health and Well-being</u></b>          We will continue to have PE with Mrs Paul-Bird on a Wednesday. If weather permits we will have extra sessions outside with the class teacher. <b>Please ensure all jewellery is removed before coming to school on this day.</b> <b>Your child must also have appropriate gym shoes for physical activities.</b> <b>Sports Day will be on Friday 31<sup>st</sup> May. All fingers are crossed for a nice day!</b></p> 	<p><b><u>French</u></b>          In French we will continue to reinforce previous work eg common greetings, days of week, months of the year, numbers and weather. We will begin to look at French words for classroom objects and French words for food and drinks.</p> 
<p><b><u>Reminders</u></b>          Please ensure you child comes to school in school uniform and brings with them their green bag everyday. Indoor shoes are also required everyday. Your child is welcome to bring a water bottle into the classroom to save trips to the water fountain during learning times. On sunnier days, please ensure your child applies sun cream before they come to school or brings sun cream with them to apply before going out at lunch time. As the weather is unpredictable in Aberdeen it is also recommended that your child brings a thin jacket in their bag in case they require it.</p> 		

If you have any queries/questions, please don't hesitate to ask at the end of the day.  
 Thanks for your support.  
 Mrs Garlick, Miss Dingwall and Mrs Carrington 😊
