

P3 Room 16

Weekly Newsletter

What have the pupils of Room 16 been up to this week?

Lots of you will have seen rainbow artwork appearing in windows all around the community.

Abi created her own rainbow to cheer up others!

If you haven't already, why not try making your own? Display it in your window to bring a smile to anyone who passes!

The competitions are running until the end of next week.

A few of you have shared letters, diaries and weekend news with me. I have loved hearing about what you have been getting up to. A special mention to our birthday girl Allix who turned 8 on Wednesday!

Keep up with your reading at home. Some of you have been listening to audiobooks. Have you tried answering any questions on your book yet?

Here some work that was done on 'Daisy the Dream Fairy'. It sounds like a fantastic book!

Lots of you have been busy completing the Maths worksheets or textbook pages. I have been really impressed with your work. Here's just a few examples of some of the Maths work you have been doing.

Archie has been practising his money skills by buying his snacks to eat at home. He practised totalling up amounts of money using a price list and had to calculate his change.

What a fantastic way to use his skills in a real life context!
