P3 Room 16 Weekly Newsletter

What have the pupils of Room 16 been up to this week?

Harley has used her creativity to create a fantastic Easter bonnet. The design is brilliantly colourful and really reminds me of Spring!

Abi helped to cook a delicious homemade meal of Paprika chicken – yummy!

Shraddha asked her friends and family their favourite colour. She used tally marks to record the results and has presented them in a bar graph. It looks like blue was very popular!

Some fantastic Science!

Gran was looking for her glasses, which were on her head.
 A girl pulled my hair and took my clothes!
 Wife almost at the end of the monkey river
 I miss my friends.

Lots of you have been reading at home which is excellent! Lacie and Abi have both been enjoying Enid Blyton books. Lacie is currently reading 'The Adventures of the Wishing Chair'.

Archie has been enjoying 'Diary of a Wimpy Kid' and has thought of adjectives to describe the main character, Greg. I love his simile – as cool as ice.

As well as lots of you taking part with Joe Wicks, Sophie has been enjoying completing Mrs Paul-Bird's P.E workout this week!

Senuli has been working hard on her bar graph questions and has typed her answers on google documents.

READING FROM A BAR GRAPH
