

Term 2 P2 Room 5 Newsletter

Welcome back to Primary 2!

We hope you had a fine time in the October holidays, all things considered, and are ready for the busy term ahead. Here are some of the things we will be learning about through play up until December...

Maths and Numeracy

In numeracy we will be continuing numbers to 100 and will be adding larger numbers by looking at place value. We will be subtracting using different strategies and investigating estimation and rounding. As Christmas will soon be with us we will look at the "value" of some gifts and discussing money, what we use it for and identifying coins and notes to £20. We will be adding money and looking at change.

Literacy

In literacy we will be continuing to revise high frequency words. Through our context for learning we will be learning about instructional writing and letters, creating our own recipes and writing letters to different people. Through listening and talking we will be learning to work collaboratively sharing opinions and experiences.

Health and Well-being

We are learning to be respectful, focused and inquisitive by engaging in chosen and structured play activities. We will continue to develop our understanding of friendships, personal space and boundaries, understanding our similarities, differences and what makes us unique. We will continue to place a great focus on our own safety and hygiene in the current climate.

P.E.

In line with current guidelines P.E. is now indoors however this may change so please come to school wearing your kit - lots of cosy and waterproof layers just in case! Suitable footwear is also needed. All jewellery must be removed before you come to school on a PE day otherwise you won't be able to take part. This includes earrings. Please ensure any long hair is tied back too.

Rm 3 - Thursday
Rm 4 - Wednesday
Rm 5 - Friday

Context for Learning: Celebrations and Festivals

Our context for learning this term links in nicely with the many events that take place at this time of year. We will gain new experiences, understanding and respect for different cultures and religions through activities related to Halloween, Bonfire night, Remembrance Sunday, Diwali, St Andrew's Day, Hanukkah and Christmas.

Other Information

- Please ensure that all clothing has your child's name clearly labelled, including jackets, gym kits, indoor shoes, packed lunches, etc. This really helps us as we don't have lots of spare time to search for lost property.
- Please continue to provide a small snack and named water bottle. Keep practising opening packets of crisps, tangerines, biscuit bars etc with your child.
- As we have now started homework please continue to check google classroom for updates and general messages. If you have any trouble do not hesitate to contact me via email.
Thank you Mrs Clementson

Key Covid-19

Measures

- 2 metre distancing between adults
- Each class is their own 'bubble'
- Regular hand-washing/sanitizing routine
- No parents in the playground
- Careful selection and cleaning of resources
