

Below is the homework for the whole of November. Homework is issued on a Friday and due in for the following Wednesday. Record your completed tasks by taking a picture or video and post it in your assignments on google classroom. You should click on submit assignment each week, this is where you can attach your picture or video of your completed homework tasks – this is will only be seen by the teacher and not seen by others on the main classroom newsfeed. Star homeworks will then be chosen and shared on the newsfeed, if you do not wish your child's picture/video to be posted please let us know.

Week 1 – due in 4 th November	<p>Practice writing your name. Please use lower case letters with a capital letter at the start.</p> <p>Eg. Jack, Maisie</p>	<p>Create a number line up to 10 or if you fancy a challenge 20. This can be a written number line or made out of various craft items.</p> 	<p>Using materials of your choice make a fireworks picture.</p>
Week 2 – due in 11 th November	<p>Go for a walk looking for things that begin with your sound. Can you find things with the sound at the beginning, middle or end of a word?</p>	<p>Roll a dice, make one or use a free online dice roller. Can you recognise how many spots there are without counting? Write down the number. Extra challenge- can you roll the dice twice and add the numbers together.</p>	<p>Play a board game like snakes and ladders or snap and teach someone at home how to play it.</p>
Week 3 – due in 18 th November	<p>Using an old magazine or newspaper cut out the sound you are learning this week or you could find your sound in a book you have at home. How many can you find?</p>	<p>Use toys, pasta, jigsaw pieces or anything else suitable to make numbers then write the numbers you have made.</p> 	<p>Help out around the house, do a good deed for someone in your community or choose a random act of kindness from the list below.</p> <p>https://www.createkidsclub.com/wp-content/uploads/2017/11/Acts-Of-Kindness-For-Kids-PDF.pdf</p>

<p>Week 4 - due in 25th November</p>	<p>Choose a book to read with someone at home. Share your likes and dislikes about the story. Can you name the characters from the story? Do you know where the story takes place?</p>	<p>Look around your house. Can you make a repeating pattern with things you have in your house or outside?</p> <div data-bbox="943 365 1144 488">  </div> <div data-bbox="1196 341 1503 480">  </div>	<p>Try to learn something at home that you can't do yet. Here are some ideas you could try: learn to zip up your coat or put on your own coat, learn to fasten buttons, learn to tie your shoe laces, learn to cut with scissors, learn to write your name or learn to count up to 10/20 or backwards from 10/20.</p> <p>Remember to keep trying even if it is difficult. Remember you just can't do it yet!</p>
